

THE HAMLIN HERALD

IN 37th YEAR — EVERY WEEK SINCE 1905

HAMLIN, JONES COUNTY, TEXAS, FRIDAY, NOVEMBER 14, 1941

NUMBER 2

The Hamlin School Board Requests Your Consideration of These Matters

First, they have been requested in a petition by twenty qualified resident tax paying voters to call an election, Monday, November 17th, for the purpose of voting on the proposition of whether the school board shall be authorized to levy a tax rate not to exceed \$1.50 on the \$100.00 valuation. On the basis of this request the election has been called and notices have been posted stating that the election will be held in the High school building.

Second, an authorization is not the same as a levy. If the election carries, the board does not intend to levy a \$1.50 rate, as they do not need that high a rate to pay their bonded debt service.

Third, if the election carries, the board will be able to refund its bonds at a rate of interest not to exceed 4 per cent, where they are now paying 5 and 6 per cent. This will mean a saving of about \$1,500 annually on the debt service.

Fourth, when the bonds are refunded and the delinquent interest and bonds paid, the tax rate should not need to exceed \$1 which is the present tax rate. It might be necessary to exercise a tax rate of \$1.10 or \$1.15 for two years to pay our delinquent interest items.

Fifth, no part of any increase may be used for operation costs, salaries or any other items but debt service.

Sixth, to protect tax payers, a budget must be prepared each year of the debt needs and this budget must be publicized. If the tax rate exceeds the debt needs, one complaint by any tax payer will require a revision of the tax rate.

Seventh, if this authorization is not made, the school district faces one of two alternatives. First, since the State Treasury Department holds the largest issue of our bonds, they will hold up our apportionment, which amounts to \$20,000 each year until we become current. This will cut our school term to four or five months at the most. Second, we can go to Austin, and have the bonds moved back and added to the last of our maturities, thus increasing our interest payments, prolonging our principal payment and adding to the cost of our debt service at the rate of \$1,500 to \$3,000 annually. This moving back process will then be necessary every three to five years, as we become delinquent, which will materially increase our bonded indebtedness. Furthermore, it will require a pay school or tuition payment by parents sending their children to school.

Finally, the school board offers this election as a solution to our bond problem, sincerely believing it will save the district money and thereby save the individual tax pay-

Dairy Clubs Called To Meet Saturday, Nov 15

Dairy Club members are expected to meet Saturday, November 15, at 1:30 P. M. in my office located now in the basement of the Post Office, for our regular monthly meeting.

Things to study for the meeting:

1. Judging Dairy Cows. (Bulletin C-66 enclosed). Learn value of points of score cards. Learn reasons for placing cows.

2. Know the name, age, and the breeding of your registered animals. Answer roll call by giving same.

3. Review questions in Dairy Club manual (B-91) as outlined by Mr. Eudaly for meetings number 1 and number 2.

At 2:30 we will go to Mr. Ralph Goolsby's place and judge.

The results of last month's judging are as follows:

- 1st place winner, Jack Heald.
- 2nd place winner, Jimmie Walsh.
- 3rd place winner, Joe Wayne Walsh.

Floyd Lynch, County Agent

Card of Thanks

We wish to express to our friends and neighbors our sincere appreciation for your sympathy and kindness shown us at the death of our husband and father.

Mrs. M. S. Jones
Mr. and Mrs. Arice Jones
and Morris Lee
Mr. and Mrs. Jay Fitzgerald

Mrs. Carl Stotler of Pampa came Wednesday to visit her parents, Mr. and Mrs. R. O. Proctor.

ers money. They ask your consideration and that you bear in mind the increased authorization is not the same as a levy. Neither is it noted to raise more money, but to restore the confidence of the investment companies in Hamlin Independent School District securities that our bonds may be refunded at a lower rate of interest than we now pay. It is up to the resident tax payers to decide if they wish to save their money and at the same time restore the confidence of security circles in Hamlin school investments.

The Hamlin school board further pledges to persevere in the collection of delinquent taxes and keep current, present tax collections in so far as conditions of the country will permit.

Signed:
Thos. Teague, Chairman
Joe McCrary, Secretary

NAZARENE CHURCH

Sunday school, 9:45 A. M.
Morning worship, 11:00 A. M.
N. Y. P. S., 6:15 P. M.
Evening service, 7:15 P. M.
Junior Service, Monday at 4:00 P. M.

W. F. M. S., Tuesday, 2:30 P. M.
Mid-week service, Wednesday at 7:30 P. M.

We are grateful to God and our good people that we are able to close our assembly year with all bills cared for. The church also has made substantial gains during the year. Now we are starting our new assembly year with new courage and greater vision for God and the church.

We have spent happy years with the Hamlin church and people. We would be ungrateful not to mention our appreciation to the many friends of the church who have helped to make our work pleasant. We trust we have not disappointed the people and that this will be another year of joy you will share with us. We are indeed grateful to God for all these blessings for all good things come from Him.

Come worship with us. At the church where you are always welcome.

Dan D. Jones, Pastor

You Are Invited To Visit Camp Bowie

Camp Bowie, Texas—Check Sunday, November 16, on your calendar as the day you will visit Camp Bowie, home of the 36th Division, to see just exactly how your son, brother, husband, or sweetheart lives.

November 16 has been set aside as your day.

You will have a chance to go to church in one of the beautiful, modern new chapels situated at central points in the camp area. All tents, recreation rooms, day-rooms, shops and offices will be open for your inspection. Probably 'Johnny' will be proud to show you how he makes up his bed and 'stores' his clothes.

At noon you will be invited into the Company mess halls to eat 'soldier food.' This will be the best way for you, Mom, to find out how the army feeds and serves its food.

Dad, you too, will get a real surprise. 'Johnny' will show you over the whole camp and you will have a better idea as to just how big a 'city' Camp Bowie is. In all probability you will go home Monday morning and say, "Things weren't like that when I was in khaki."

And Sweetheart Sue, you will have something to marvel at too. This will be a wonderful chance for you to see a great collection of uniforms on some of the finest soldiers in Uncle Sam's Army.

"Since the purpose of this open house," said Brig. Gen. Fred L. Walker, division commander, "is for visitors to be with their loved ones, to inspect their quarters and obtain first hand views of camp life, no Divisional entertainment or demonstration is planned, but unit commanders should encourage their units to put on interesting programs."

Attorney and Mrs. Frank Taylor and son, John, of Fort Worth, spent the week end with his mother, Mrs. J. F. Taylor.

BAPTIST CHURCH

We expect Sunday to be a great day in the Baptist Church. This is heading for the Last Round-Up day, the day set apart for the purpose of raising the amount necessary to pay off our church debt. We will bring our basket lunches, spread lunch together, and enjoy an entire day of fellowship. Every Baptist interested in the advancement of this church will want to be present.

Our Training Union is growing. Come at 6:30 for this important meeting. Evening service at 7:30.

H. E. East, Pastor

University President

DR. WILLIAM R. WHITE

President

Hardin-Simmons University

The people of Hamlin last Sunday had their first real opportunity to become acquainted with the new president of Hardin-Simmons University when Dr. William R. White occupied the pulpit at the First Baptist church in the absence of the pastor.

Dr. White had once before appeared in Hamlin on a minor program, and but a few citizens met him. He is filling the place in church sponsored educational service that was so long held by the late Dr. J. D. Sandefer.

President White impresses one as being a man of sincere reasoning, a man of poise and strength, both mental and physical. His public address as well as his personal conversations impressed one as being practical and progressive, in keeping with all spiritual and humanitarian needs.

Dr. White's theme for Sunday morning was a combination of man's relation to God and his responsibility to his nation as to sincerity and loyalty.

"God Bless America," Dr. White says, "What does 'God Bless America' mean to you? What does it mean to me?" He made it clear that this popular song is really a prayer. And when we pray, is it a plea for God to bless "Us, me, you" just for some personal gain or aggrandizement? He asked, "Why ask God to Bless America" unless we can sincerely ask it for the spiritual welfare of the world, the prosperity and comfort and peace of all peoples.

The visiting minister's message was so well timed and so clear and forceful that his first appearance in Hamlin will last favorably in the minds of Hamlin people for a long time. A Sunday morning program is far too short for one to fully develop a magnificent thought of the type Dr. White presented. His theme was so close to the hearts of all, from so many angles, that everyone regretted to hear the concluding sentences. Dr. White will no doubt have an immense audience of all denominations in Hamlin the next time he comes over to talk to this community.

CHURCH OF CHRIST

Mt. 7:7 "Seek and ye shall find" is to say "If you want to be a Christian, you can." Yes, any person that really wants to separate himself from the worldly life and live a Godly life has it within his ability to do so. God is no respecter of persons. He offers salvation to all on the same conditions. We all have an equal chance to receive it. The question is, "Do we want to be a Christian?" Do we really desire to live a Christian life? If we want to, we can. Christ says, "Seek and ye shall find."

Minister, Luther G. Savage

Rev. and Mrs. James E. Harrell are attending the Methodist conference in Big Spring this week.

Card of Thanks

We wish to thank each and all of our friends and neighbors for their loving kindness and sympathy when death came so shockingly to our dear husband and father. In this hour of sorrow your expressions of kindness helps our saddened hearts.

Mrs. R. T. Harvick
Mr. and Mrs. Hardy Hewett

Hamlin People Give Liberally to Chinese

This week, along with the Red Cross drive for annual funds, the Chairman, Mr. J. W. Ezell, for Chinese Relief, has had a faithful worker, Mrs. R. D. Moore, soliciting funds.

Up to Thursday noon more than \$100.00 had been received.

America with its wonderful bounty of goods and money hears the call for help from Britain, Russia, China, and the feeble smothered voices of conquered Europe. Does it hurt to give a little? Does anyone feel at ease with their conscience when they turn a selfish deaf ear to a call of mercy?

Jones Co. Boys' Clubs Officers Announced

The 1942 Boys' 4-H club of Jones County has an enrollment of 187 and following are some of the clubs and their officers:

PLAINVIEW CLUB:

Wayne Ashburn, president.
Jerry Max Neal, vice-president.
Bobby Goodwin, secretary.
Lacy Culpepper, reporter.
Bryan Thackerson, song leader.

NEW LIGHT:

Milton Bennett, president.
Charles Hansen, vice-president.
Douglas Wedeking, reporter.
Max King, secretary.

HAWLEY:

Billy Mack Collins, president.
Fred Clyburn, reporter.
Royace Collins, secretary.
Lewis Montgomery, vice-pres.

WILSON:

Don Bradshaw, president.
Doyal Nichols, vice-president.
Doyal Newton, secretary.
David Gause, reporter.

NUGENT:

Gail Lamb, president.
Richard Glaze, vice-president.
Marshal Wyatt, secretary.
Billy Lee Roger, reporter.

Mrs. Bill Tims and daughter Miss Bobbie went to Camp Bowie last Friday and remained over with Roy Edwin through Sunday night. Roy Edwin is in the 131st Field Artillery and is leaving for "somewhere" called Plumb. This seems to be the start of the whole camp for parts unknown in the world.

Mr. and Mrs. M. F. (Squab) Wilson were over for a visit with home folks the past week end.

Hamlin Pipers Play Albany Lions Tonight

This Friday night, November 14, Hamlin's Pied Pipers play next to their last game of the season unless something throws them into a play-off for championship. Albany comes over greatly improved and we may expect the Lions to chase the little Pipers all over the field. Better go down and see how it is done.

Then the last conference game, "unless" will be with Anson, on November 21, at Anson. Anson has picked up greatly also, but not enough to handle Stamford, who skinned them to a tune of 19 to 0. Well, one can not tell how a game will come out . . . Stamford can't tell yet.

BABY BURIED

Jimmy, two year old son of Mr. and Mrs. Hodges Kelley, was buried in East Cemetery, Wednesday. This little fellow's death resulted from a switch engine-car wreck at Odessa about two weeks ago. The mother, who was injured, is improving satisfactorily.

The little man died at 3:15 Tuesday, and the Barrow Company ambulance went for the body, returning late Tuesday night.

Funeral services were conducted at the Nazarene church by the pastor, Rev. Dan D. Jones, at 3:30 P. M. Wednesday.

Miss Geraldine Rushing of Abilene, came Wednesday to accept a position in the Magee Beauty Shop.

Mrs. E. Clyde Smith, of Odessa, spent the week end here visiting Miss Eleanor Temple and other friends. She was accompanied by Miss Mildred Nobles, a teacher in the Odessa public schools, who visited her aunt, Mrs. Vera Nobles and Hamlin friends.

Rev. and Mrs. J. T. Crawford, formerly of Hillsboro, have moved to the Mt. Zion community, where Rev. Crawford begins his pastorate of the church. Mrs. Crawford is a sister of Mrs. V. T. Stringer of Hamlin.

9,000,000,000 Lbs. MORE Milk
500,000,000 Doz. MORE Eggs
8,000,000 Head MORE Hogs
3,000,000 Head MORE Cattle

By The

UNITED STATES OF AMERICA

In a recent broadcast, Secretary of Agriculture Claude R. Wickard said: "Next year, we want to boost our production of milk by 9 billion pounds . . . We hope to get 500 million dozen more eggs than we'll get in 1941; we hope to be able to butcher 8 million more hogs and 3 million more cattle."

Recognizing a natural reluctance to buy feeds when home-grown grain and roughage supplies are large, or ranges and pastures good, feeding authorities are calling attention to the need of protein supplements to realize the full value of these farm feeds in rations. Protein, essential for all livestock and poultry, often is the only purchased feed required when grains, hays, silage and grazing are available, but adequate amounts of protein, such as COTTONSEED MEAL or CAKE SUPPLIES, always are needed for best results in feeding livestock.

Throughout the Cotton Belt, the availability of cottonseed meal and cake, pellets and cubes is an important factor in enabling farmers and ranchmen to get the full value from their grains or grazing.

Washington—

This week has been one of such uncertainty, so much tragedy, so much preparation, so much expectancy . . . the unfolding of events as time rolls on brings the entire world to fix its eyes upon Washington. As Washington goes so goes the immediate destinies of a dozen nations and several hundred million people. You may not believe this, but this Thursday afternoon, as the American Congress ponders the right course to pursue for the United States, not one but every nation in the world is looking and waiting to see whether or not America will reclaim, regain her rights upon the

high seas.

Already congress has said we shall permit the arming of our merchant ships for their self defense. As this weekly paper, away back in the hinter land of America hesitates to go to press, on this Thursday afternoon, in order that we may hear what Congress has done, we wonder what good it would do to arm ships and then forbid them to carry the billions of dollars worth of products that America says other democracies should have? Is America to cower, whimper and tremble like cowards, or are we to assert our right to act along the road of high commerce that befits a free people. That's what the world

waits to see. So we wait. So we wait to see whether a bunch of labor racketeers is to block our home efforts to fatten their own pocket books.

Again this paper says, "Every contract, big or small, that calls for something for the United States in its so-called defense, or for war should have a clause in it where once a man is given a job he is as much under rules and restrictions as any poor soldier boy in the barracks. There are a lot of things we 'simple' Americans are waiting for. It is time for Congress to act to stop old-fashioned disloyalty. One is either for his country or against it. It is time to put them on the spot. Congress, we wait."

VOTE MONDAY

(ON SCHOOL TAX RATE)

The Herald would emphasize the importance of the article in this issue from the Hamlin School Board. They give you an explanation of the reasons you should register your vote Monday, November 17. Turn to the article again and read it and if you do not understand, ask questions, and then express your desires one way or another.

Notices of this "election" have been "posted", perhaps in several places, one of which is in the lobby of the Post Office. If one should need to look into the legal notice, seek out the posted place and read it for your self.

The school board nor no one else is trying to tell anyone how to vote, hence this is not a campaign, but a proposition. The only thing anyone is duty bound to do is to VOTE what you think is best.

Which ever way the majority vote is registered, the entire community is naturally bound. Therefore, every property tax paying voter should vote Monday, November 17th, at the High school building.

Miss Rosemary Carlton Member McMurry Chanters

Rosemary Carlton, Hamlin, student at McMurry college, Abilene, is leaving November 16 for a nine-day trip through Texas and parts of New Mexico with the McMurry Chanters, a choral organization.

This is the annual Thanksgiving trip of the organization. Twenty-six students are making the trip by bus, accompanied by Mrs. Robert B. Wylie, director, and Louise Sieglemire, accompanist.

Miss Carlton is the daughter of Mr. and Mrs. A. B. Carlton.

Girls Auxiliary Met For Bible Study

The Intermediate Girls' Auxiliary met Monday, Nov. 3. Mrs. Delma Shelburne was introduced as the new Bible teacher, who will meet with the G. A.'s every first Monday of each month. She brought such an inspiring lesson on the Book of Genesis that the girls said they plan to bring a notebook and their own Bibles next month so they can keep notes. Gertrude Eckler read the devotional from Ezekiel. Those present were La Rue Kite, Frances Brunson, Ida Mae Robertson, Gertrude Eckler, and Mrs. Austin Poe.

G. A.'s HAVE MEETING

The G. A. met Monday, Nov. 10 at the First Baptist church. La Rue Kite read the devotional from the Book of Exodus and also introduced Mrs. John Walton who is going to review "Ana of Ava." Mrs. Walton's review of the first four chapters of the book was so charming that all the girls are looking forward to the continuation of the review in December. Those who enjoyed this meeting were Lavina Kite, Frances Brunson, Gertrude Eckler, La Rue Kite, Earlene Johnson, Coleman Jones, and Mrs. Austin Poe.

Hamlin Flower Shop Formally Opened Last Sunday

The Hamlin Flower Shop which has been owned and operated by Mrs. L. B. Pribble for a number of years and was recently bought by Miss Elva Greenway, was formally opened Sunday afternoon under new management, in its new location.

The shop has been moved from its former location on Jackson Ave. to the southeast corner of the spacious lawn of the J. C. Greenway home on Alamo Avenue, where a new building with all modern equipment has just been completed.

The large display room is finished in natural pine with the ceiling in a light yellow tint. The windows have venetian blinds and draperies of oatmeal Monk's cloth. The work room is finished in all white with tables and cabinets in white. Back of this extends the large green house which is already filled with many and various growing plants.

Sunday afternoon Miss Greenway held open house from 1:00 to 5:00 o'clock. She was assisted in receiving by her mother, Mrs. J. C. Greenway, her brother, Forrest Greenway, a sister, Mrs. Coleman Gibbons, of Fort Worth, an aunt, Miss Lennie Greenway and Mrs. D. C.

Rogers.

Lovely chrysanthemums and other beautiful flowers were displayed stressing modernistic flower arrangement.

Favors were yellow and orchid chrysanthemum corsages for the women and tiny white chrysanthemum boutonnieres for the men.

Rev. Jack Watkins

Performed Weddings

The Herald was handed a report from Rev. Jack Watkins, pastor of the Four-Square church showing that he is continuing to unite couples in wedlock.

Recently Mr. Elvin Watkins and Miss Ruby Lee Darr of Knox City were married at the home of his sister, Mr. and Mrs. Ed Gilly, two miles north of Hamlin. The groom in this ceremony was a brother of the minister, and his parents, Mr. and Mrs. Willie Watkins, reside at O'Brien, and the bride's parents, Mr. and Mrs. O. O. Gregg, reside at Seymour.

The next couple to be united in marriage by Rev. Watkins was Mr. Gerald F. Weldon to Miss Edith McDaniels, whose marriage took place at the minister's home. Mr. Weldon's parents live at Afton, Texas, and the bride is a daughter of Mr. and Mrs. Fred McDaniels of Hamlin. They will make their home here.

Only relatives and intimate friends attended the weddings.

Miss Helen White

Marries Stamford Man

Miss Helen White, daughter of Mr. and Mrs. Jack White of Hamlin, and Mr. Billy Thompson of Stamford, were married Saturday evening, November 8, at 7:15 in the home of the pastor of the First Baptist church, the Rev. H. E. East who read the ceremony.

The bride wore a dress of blue crepe with black accessories.

The couple are making their home in Stamford where Mr. Thompson is employed in a grocery store.

Miss Geneva Huling And Aaron Mallnee Married Saturday

Miss Geneva Huling, daughter of Mr. and Mrs. Van Huling of Hamlin, and Mr. Aaron Mallnee, of Wichita Falls, were married Saturday evening, November 8, at 7:00 o'clock, in the home of the Rev. H. E. East, pastor of the First Baptist church, with Rev. East reading the ceremony.

The bride wore a dress of blue crepe with black accessories.

Following the ceremony a wedding supper was served at the home of the bride's parents.

White and red chrysanthemums decorated the house and were used on the supper table.

Those present were the bride and groom, Mr. and Mrs. Billy Thompson, also a bride and groom, Misses Wanda Bowman, Marie Huling, Anita Philips and Obara Rush; Winston Smith, of Lubbock and Clifford Carr; Mrs. Dona Cooper and Wynona Rush of Stamford.

Both Mr. and Mrs. Mallnee are graduates of the Hamlin High school. They are living in Wichita Falls where he is employed in a grocery store.

Piping for The Pied Pipers

Queen's Coronation Climaxes Jamboree

With pompous ceremony, Billie Faye Rountree was crowned Queen of Hamlin High School on a beautifully decorated stage. She was escorted by Dean Witt. The court was made up of the other three class queens, Bettye Abbott, Charlene Durham and Jonell Newberry; and their escorts, Bobby Barrow, J. C. Smith and Ray Coles respectively. The class queens were attended by Selma Hassen and Inez Joiner from the Senior class, Jimmie Dee George and Rose Mary Bristow from the Junior class; Frances Nell Gardner and Betty Lou York from the Sophomore class; Jeannine Johnston and Ola Jean McInroe from the Freshman class. The crown bearer was Eddie Jay, Jr., and the flower girl was Patricia Rector.

The background for the stage was in the form of an arc made up of rainbow colors, studded with silver stars. A white throne sat high on a pedestal and the only touch of color about it was a red velvet pillow. Flanking this throne were white columns joined together by green and white chains of crepe paper. From the steps a white carpet was

laid to the throne. Chrysanthemums banked the footlights. To entertain her majesty, Joan Culbertson and Joan McCrary played a piano duet and Mr. Clyde Smith sang "I Hear a Rhapsody", and "Tonight We Love." The ceremony was closed by the singing of the Almatier and the Recessional.

Junior Jamboree Over

The new idea of substituting a Junior Jamboree for the old idea of a Hallowe'en Carnival was carried out at the High school building last Saturday night.

The Sophomores showed their winning ability by carrying off first place in the intra-school games which were sponsored throughout the evening. The junior class won the stunts that were presented before the Queen's Coronation.

A total of \$38.00 was taken in at the gate, and each class except the sophomores is to receive 10 per cent of this amount. The sophomores will receive 20 per cent of amount in reward for their record made in the games.

Junior Class Expresses Appreciation

The juniors wish to thank everyone who had a part in the Jamboree. They feel the success of this newly tried plan was due mainly to the co-operation of each of the classes, as well as the people of Hamlin.

High School Parade Had Lovely Floats

The people of Hamlin and surrounding communities saw one of the best parades that have ever been held here, last Saturday afternoon at four o'clock. Led by the band, it was made up of five floats that showed a great deal of hard work and planning on the parts of the classes.

The line was introduced by two girls riding beautiful horses. This was followed by the band, the class floats, and a float representing the whole school. Each of the class floats was original, built by the classes and sponsors without professional supervision. Senior, junior and sophomore floats all carried out the patriotic theme, using the red, white and blue color scheme. The freshman float was appropriately decorated in green and white.

Placing first and winning the five-dollar prize was the seniors' work. It carried out the V for Victory idea, with the huge red V

Beware Coughs from common colds That Hang On

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION
For Coughs, Chest Colds, Bronchitis

and . . . -- used against a white background for a setting for the senior queen and her attendants. The girls kept in harmony with the color scheme by wearing blue, white and red dresses, respectively.

The junior float won second prize of \$2.50. An arc of red, white and blue rays formed the background of the float, and small cannons and a machine gun of the same colors decorated the front of the trailer on which it was built. The queen and attendants also dressed in corresponding colors.

The float representing the whole school was used through the courtesy of West Texas Utilities Company and was secured from Abilene.

Students Urged to Read New Library Books

And Tell of Time by Laura Krey and Escape by Ethel Vance are the books that are reviewed this week.

And Tell of Time is the novel of America in the making that all America is reading. In 1865 Cavin Darcy took his wife, said farewell to war-torn Georgia, and turned westward to find in Texas space and freedom to build a new America. Seven hundred pages of swiftly flowing narrative tells the tale of turbulent years that followed. This book is more than a story; it is an experience. Various newspapers such as Buffalo News, Boston Herald, and New York Times have made complimentary statements in their papers about And Tell of Time.

Escape is a story you will never forget. It is packed with excitement and the characters stand out vividly against a dark menacing background of suspicion and suppression.

Emmy Ritter, after spending 25 years in America, returned to Germany to sell her old home. She was condemned to death as a political prisoner. She had no hope for she did not know her prison doctor still considered her a famous actress. She didn't know that her son and a servant of the family were near. She didn't know that a Countess, mistress of a Nazi General would come to her aid. It is worked out and Nazi brutality is overruled. The result is a powerful novel that races along to the breath-taking tempo of a mystery story.

He's A Real Piper COLES

This tall, blonde senior boy plays end on the Pipers' foot ball eleven.

He surely must be an admirer of Popeye, for he says his favorite food is spinach. Bookkeeping is tops in his subjects. Mickey Rooney and Deanna Durbin rate first in his choice of actors and actresses. He likes to have lots of fun and play basket ball and foot ball. He prefers brunets. (Any special ones, Don?) His sunny disposition is portrayed by the fact that he has no particular dislikes.

His ambition is to go to college and he wants to go to Texas Wesleyan College so he can play basketball and take a good course in campersology. Then his next ambition is to get somewhere in the world.

We salute you Coles—A real Piper!

Among The Pipers

Flat tires, rotten tomatoes—they both went together last Monday afternoon when four girls, headed, they say, by Billie Faye Rountree, let the air out of Lofton Brown's car. Where did the rotten tomatoes come in? Lofton was about ready to throw them.

There seems to be another somebody coming into the picture. That's Buddie Newberry . . . so what do you think of that, Bobby Barrow—and what do you think of both of them, Betty Lou Hayes?

Billie Jean Holland seems to have a big interest in Sweetwater. When the interest grows that way, there is bound to be a boy behind it.

Have you noticed that good looking car that Lola Faye Myers has been herding around. More than one eye has had a gleam of envy in it . . .

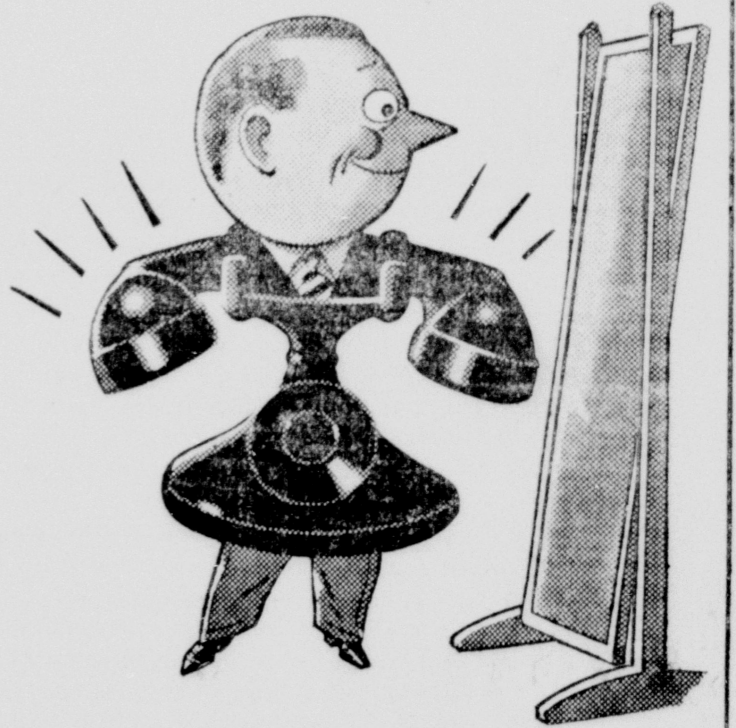

Mrs. J. D. Greenway and little son Don returned to their Ft. Stockton home after spending two weeks with "grandpa and grandma," O. K. Wilson.

**TO SAVE METAL
FOR UNCLE SAM**

We're ready with a wartime telephone in which plastic and steel replace the more vital defense metals—zinc, aluminum, magnesium. It's not a makeshift telephone—it's a good telephone.

In the months ahead, however, you may find it hard to get one. Where all lines in our cables are taken up we can't add new customers quickly, because nearly all the additional cable we can get is required for vital defense construction.

We're making every substitution, salvaging every bit of usable equipment to keep up with orders as well as we can.

We hope that our record over more than 60 years is evidence that we will always be doing our best to keep your service as good as conditions permit.

POT SHOTS FROM McCAULEY

BY GEO. DARDEN

Mr. and Mrs. Sim A. Reeves and children of Balingier spent the week end in the home of Mrs. Reeves' parents, Mr. and Mrs. S. E. Miers. Mr. and Mrs. Reeves are moving this week to Ft. Stockton where they will make their home.

Mr. and Mrs. Dono Darden and Tom Hicks of Rotan were visitors in the home of the George Dardens Sunday.

Mrs. W. M. Keller has been on the sick list and we are glad to report that she is recovering after several days in a Stamford hospital.

Until another year rolls around, king cotton will soon be a thing of the past in these parts. The fields that once were white are now very black and soon the farmers will be preparing their land for another good crop. We hope.

Mr. O. R. Burnham tells us that he has finished gathering his cotton crop and we happen to know that he made a good one, and if you want to see a picture just drive by the Burnham farm and see the registered Hereford cattle grazing on the wheat and oats fields.

J. I. Parker, Levi McCollum and Luther Maberry made a trip to Dallas last week and all brought back new cars. (Wish we had one).

Mr. and Mrs. A. L. Gregg visited Mr. and Mrs. Hiram Prather last Sunday. We just imagine that Alvin and Mrs. Gregg can't stay away from that new baby girl that lives with the Prathers.

Leo Parker will leave this week for Grand Prairie where he will enter an aviation school.

Guy Kemp was home over the week end. Guy is in the army now, and we understand he has been transferred to the air corps and will be stationed at Wichita Falls.

Mr. and Mrs. Sid Hemphill, Mr. and Mrs. Louis Earl Madden, Mr. and Mrs. William Mayo and Mr. and Mrs. Burl Curtiss were visitors in the home of Mr. and Mrs. W. A. Hemphill last Sunday.

The Men's Bible class, down town is needing a lot more men, and for the past three Sundays the men were very scarce. Maybe now that most of the cotton is out the men will start back to Sunday School. You are invited.

This farming business is going to be put on the top shelf. Our neighbor, Alf Hemphill, has bought a tractor and along with his ten acres

and this scribe's one acre, our intentions are to flood the market with cotton, corn and peanuts.

S. C. (Bud) Ferguson, was over several days last week, hauling cotton to the gin for Louis Boyd and he tells us that it's like riding a bucking horse to haul off cotton on a tractor.

We get a kick out of listening to some folks say they are broke and hungry, when we happen to know that these same folks have their cellars full of all kinds of canned eats. Any way, we think they will make the winter.

Joe Hunter has gone to Amarillo to take a job as fireman on the Santa Fe R. R. and Melvin Hunter will take his place at the Farmers Gin as fireman.

Ernest Hendon is home for a few days from the navy. Ernest has recently returned from Iceland where he has been doing his part to keep the sea lanes open for Uncle Sam's shipping.

F. L. Rector, grocerman, tells us that his business has been better this fall than in years and in fact, McCauley as a whole is better off this year, with a good crop. Oil wells and more prospects for more wells should make business good for many months to come.

Mrs. John Reynolds and little daughter of Abilene are visiting her parents, Mr. and Mrs. W. C. Lee, while her husband John is off on a deer hunt.

Mrs. C. P. Yates visited her son and wife, Mr. and Mrs. Louis Yates in Brady last week end.

Pat, daughter of Mr. and Mrs. L. E. Rector, was flower bearer for the Hamlin High School Queen at the annual carnival last week.

We are very sorry to learn of the death of Mr. Hyso, the father of Miss Hyso, local teacher in the McCauley High school.

It looks as if everybody is in a rush these days. In fact, business is good everywhere you go. We make frequent visits to the Yates and McCurdy Cotton office in Hamlin and from the looks of things the office employees there keep the typewriters humming writing government cotton loans.

0-0-0-0

World events are happening so fast, that what's news today is history tomorrow. We listened to a joint discussion by members of the

senate over the radio last Sunday night, and what we mean, the arguments got hot. No doubt but that most Americans who heard the discussion were in sympathy with Senator Chandler who is advocating the arming of American ships and supporting the President's foreign policy. According to Senator Nye's argument, he hasn't any love for Great Britain and even though he didn't come out in the open for Hitler. Most of us are under the impression that his sympathy lies with the dictators. Any American with an ounce of brains, knows that the democracies of the world can not be misled by the promises and treaties of a dictatorial power such as Hitler's. Nations who have in the past have trusted Hitler and now are slaves of the Gestapo and all because they wanted to avoid war, they bowed to the will of the dictators and now they find themselves in a worse predicament than they would have been in if they had chosen to fight. Americans will never be trapped into a Hitler dictated peace even though Mr. Nye, Lindbergh and other isolationists advocate a peace that could not last. A peace proposal even by the President of the United States would not go far if said proposal of peace was not dictated by the European war machines and Mr. Roosevelt will never submit to the will of the dictators and neither does the American people want to.

A DARDEN-O-GRAM.

Mrs. Clyde La Mott, of Houston, was a guest last week in the home of her parents, Mr. and Mrs. Will J. Reynolds.

When a Child Needs a Laxative!

Your child should like this tasty liquid laxative and you should like the gentle way it usually wakes up a youngster's lazy intestines when given by the simple directions.

SYRUP OF BLACK-DRAUGHT contains the same principal ingredient which has enabled its older brother BLACK-DRAUGHT to give so many users such satisfying relief for so many years!

Perhaps that's why it usually gives a child such refreshing relief when the familiar symptoms indicate a laxative is needed.

SYRUP OF BLACK-DRAUGHT comes in 2 sizes. The introductory size is 25c; the economy size is 50c.

N

ICE QUESTION: Why can your skates skim over ice, but not on slickest glass? Because the stroke of the blade melts the ice slightly to provide lubrication.

And why can an ice-cold engine that's OIL-PLATED give smooth, lubricated starts, while lubrication that depends on fast flow alone can often mean harmful dragging starts? Because OIL-PLATING can be up to the topmost piston rings long before mere fast flow could begin to get there.

An OIL-PLATED engine is yours as you change to popular-priced Conoco Nth oil for Winter. In patented Conoco Nth oil you get the man-made extra substance that keeps OIL-PLATING close-bonded—as if "magnetized"—all over inner engine parts. It can't all drain down—not even from bedtime to breakfast. Then before the starter starts, the OIL-PLATING is ready against oil-starved Winter starting...

But what soon melts any snow on the hood? Certainly, the air underneath gets hotter than hotcha. And then you want the sort of oil economy that took first place for Conoco Nth in the sensational Death Valley Death-Test. Along with five other great quality brands, Conoco Nth showed how long it could stand heat and speed. Each of six identical everyday cars got one strict 5-quart fill of some competing brand tested. All six brands were run alike, without one added drop, till each oil and engine gave out. The Certified Results:

The 5-qt. fill in Car No. 2 gave out when Conoco Nth was still up at 3.65 qts.

The 5-qt. fill in Car No. 4 gave out when Conoco Nth was still up at 3.55 qts.

The 5-qt. fill in Car No. 6 gave out when Conoco Nth was still up at 3.40 qts.

The 5-qt. fill in Car No. 5 gave out when Conoco Nth was still up at 3.20 qts.

The 5-qt. fill in Car No. 1 gave out when Conoco Nth was still up at 2.70 qts.

Save quarts—save battery—save engine. Change at Your Mileage Merchant's Conoco station today to Conoco Nth oil for Winter. Continental Oil Company
